

SPECIAL SESSION

(as Part of Professor Basagni's Lecture)

AN INTRODUCTION ON WHY AND HOW TO WRITE PROPOSALS (or how to get funding for research)

Monday, 24 February 2003
11:40am to 1:20pm
109 Robinson

HORST WITTMANN, PhD
Division of Research Development
Northeastern University
(Former Long Time Program Manager in the DOD)

Abstract: I will explain the importance of proposal writing skills, from a career as well as from a scientific perspective, Then, I will review mechanisms, logistics and salesmanship of the proposal writing process and conclude with some useful references where to find funding.
