CALL FOR PAPERS

8th International Conference on Distributed Computing and Networking  
ICDCN 2006 (Formerly IWDC)

December 27-30, 2006

Indian Institute of Technology Guwahati, Guwahati -781 039, India  
<http://www.icdcn.org>  
-----

The International Conference on Distributed Computing and Networking, ICDCN 2006, formerly known as IWDC (International Workshop on Distributed Computing), will be held in the Indian Institute of Technology Guwahati, India, during December 27-30, 2006. Over the years, IWDC has become a leading forum for disseminating the latest research results in distributed computing and networks. In keeping with the growing number of papers in the area of networking in the recent IWDCs, the workshop has been renamed as ICDCN from 2006. The Indian Institute of Technology Guwahati (<http://www.iitg.ernet.in>) is one of the premier technological institutes in India in the state of Assam, situated in the scenic surroundings of hills and the Brahmaputra River.

SCOPE

Technical papers describing original, previously unpublished results are solicited in all areas of theory and practice of distributed systems and networking. ICDCN 2006 will be organized in two tracks - distributed computing and networking. Areas of interest include, but are not limited to:

Distributed Computing Track

1. Distributed Algorithms and Architectures
2. Distributed Operating Systems
3. Distributed Data Management
4. Fault Tolerance
5. Security in Distributed Systems
6. Real-Time Systems
7. Grid Computing
8. Self-stabilizing Systems
9. Peer-to-Peer Systems
10. Mobile Agents
11. Multimedia Systems
12. Middleware
13. Distributed AI

Networking Track

1. Local Area Networks
2. Wireless Networking and Mobile Computing
3. Ad Hoc and Sensor Networks
4. Overlay and Peer-to-peer Networks
5. Network Security and Privacy
6. Internetworking Protocols and Internet Applications
7. Optical Networks
8. Performance Modeling and Evaluation
9. Pricing, Reliability, Capacity Planning
10. Network Management
11. Quality of Service

## PAPER SUBMISSION

Papers should not exceed twelve (12) single-spaced pages using at least 11-point font and one inch margins on all sides on A4/Letter size pages, including references, figures, tables etc. Submission must also imply that the paper is not concurrently submitted elsewhere for publication (conference or journal). All papers must be submitted electronically through the submissions link in the conference website. Accepted papers will appear in a printed proceedings published by Springer-Verlag in the LNCS series. Some papers that are judged to have limited merit may be accepted as short papers, with up to six (6) pages in the proceedings. At least one author of each accepted paper must register and attend the conference.

## TUTORIALS

There will be tutorials on the first day of the conference (December 27, 2006). Proposals are invited for tutorials on relevant subjects. A tutorial proposal should include the abstract of the tutorial and a brief biography of the speaker(s). Please email your proposal to the Tutorial Chairs at [sri@it.iitb.ac.in](mailto:sri@it.iitb.ac.in) or [pinaki@iitg.ernet.in](mailto:pinaki@iitg.ernet.in) by July 15, 2006.

## IMPORTANT DATES

-----  
Paper Submission Deadline: May 15, 2006  
Notification of Acceptance: July 31, 2006  
Camera-ready Paper Due: August 20, 2006  
Conference: December 27-30, 2006

The Performance bulletin board is a moderated distribution list sponsored by ACM SIGMETRICS. It is intended for the exchange of technical information among members of the performance evaluation community. Typical submissions include performance-related questions and announcements of research papers, software, job opportunities, conferences, and calls for papers.
